Mr. Mack Smithweck Chairman

Mr. Emmett Hobbs, Mr. J. F. Shaw, Jr., and Dr. J. Loy Carpenter discuss the expansion of the athletic program.

### The Board

The Board of Education shows interest and enthusiasm in every phase of a student's school life, from supporting the athletic program to having a desk repaired or replaced.

Great plans are being made and carried out. Emphasis is being placed on quality education, education that prepares a student to meet the challenge of the future.

The athletic program is being expanded, and the Board is working toward having the best physical education program in the state.

Students have seen definite notes of progress because of the Board's concerted effort toward modernizing and improving the school's present facilities. The freshly painted walls and refinished floors make the school day much brighter.

Dr. Earl Williams and Mr. B. C. Yates examine the attendance records of the Marietta Schools.

The Christmas banquet given by the home economics department was considered a treat by members of the Board and their wives.

### Administration

The administration has worked diligently to uphold the high standards of Marietta High School as an accredited high school by seeking to achieve the best for the school and the individual student.

The city schools have been under the capable supervision of Mr. Shuler Antley, superintendent. This year for the first time Mr. Antley has had an assistant, Mr. Henry Kemp.

Another newcomer to the administration staff is Mr. Lloyd Cox as assistant principal.

Mrs. Fred Swain has served well for the nine years she has been principal. She is always ready to help with any personal or scholastic problem. True are the words said of her: "She is a great architect in the process of building minds, bodies, and personalities."

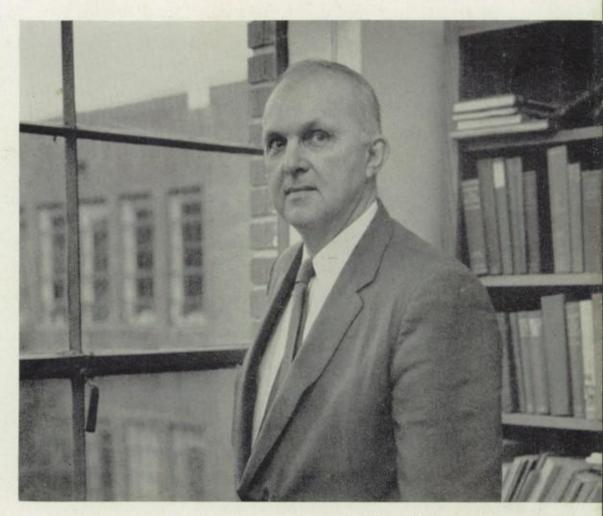

Mr. Lloyd Cox Assistant Principal

Mr. Henry Kemp Assistant Superintendent

Mrs. Fred Swain Principal

### Faculty Shows Wide Interest

The drab school teacher is a thing of the past. The Marietta High School faculty, despite its total of 265 years of service, is as rare and colorful a combination as anything Hollywood has ever photographed.

On the statistic side the faculty can be credited with more than seventy degrees received from such far flung spots as Rutgers, Columbia, Cornell, and the universities of Pittsburg, South Carolina, Georgia, Alabama, and New

York.

There is a tremendous flexibility in the group. Several of the faculty are qualified to teach subjects other than the ones they are currently teaching, to say nothing of the subjects not in the school's present curriculum such as, manual skills, Spanish, German, Italian, and Greek.

Individual years' service records range from thirty-three to one. Fifteen newcomers are at

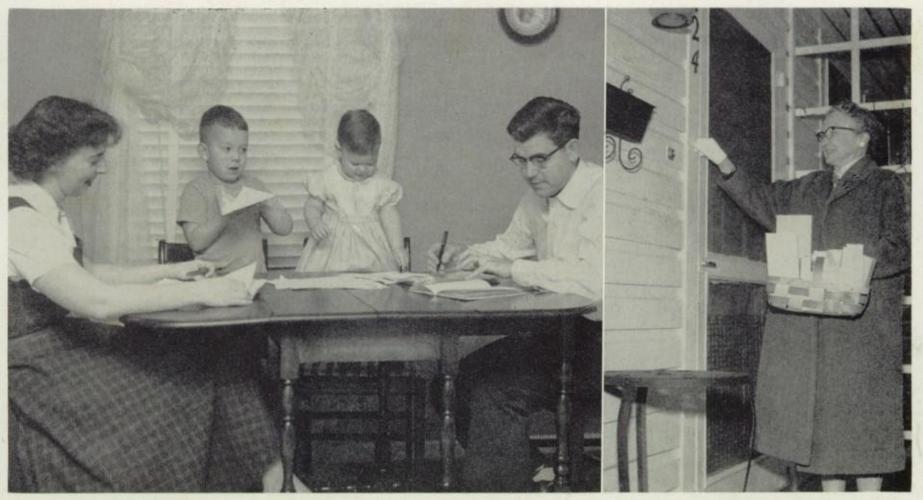

MHS this year.

Hobbies range from crocheting to fencing. Most of the men lean toward sports, while the majority of the ladies enjoy curling up with a good book. One lady teacher even listed her "hubby" as her hobby.

The varied interests, the educational knowhow, the genuine personalities, and unquestionable character — these are the traits of these teachers that make them a true influence on the lives of every student they teach.

Top to bottom Miss Beasley answers another of the many phone calls which flood the office daily. Miss Stillwell finds a practice session at the piano very pleasant and relaxing. Mrs. Cosey enjoys flower gardening, a refreshing outdoor hobby. Below Mrs. Askew, Mr. Glenn, and Mrs. Gentry, part-time teachers at the night division of the University, pause for a Coke.

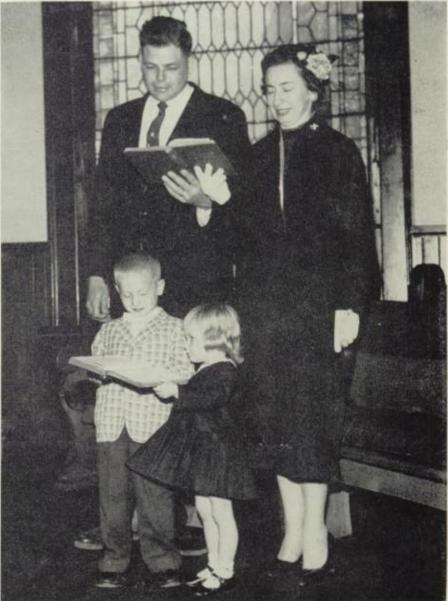

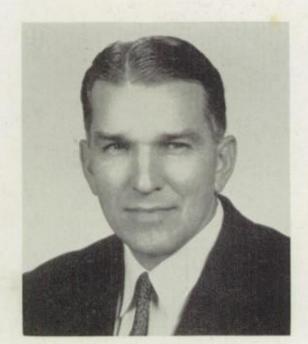

Mr. and Mrs. Stewart find that Tony and Delta make an evening of grading homework papers an exciting and entertaining experience.

Miss Sanford spends much of her free time visiting sick and elderly friends.

(Below) Miss Middleton and Miss Goff, who share an apartment, enjoy listening to records as a year round pastime. (Right) The Funderburk family makes regular worship a family affair. Together they take an active part in the activities their church offers.

### P-TA Chooses

The Parent-Teacher Association has put forth much effort to carry out its theme this year. In realizing the importance of the teachers, parents, and students working together, the officers had already taken a major step in improving the school's standards.

Throughout the year exceptional programs were presented at the monthly meetings to interest every parent. Forums, speakers, and music groups were featured, and the Annual Parents' Night drew a record crowd.

Mrs. Tumlin and Mr. Stanley admire the P-TA life membership certificates presented to them by Mrs. Fred Swain at one of the meetings.

At the annual Parents' Night many enjoyed inspecting the library. Mrs. Quiery (standing left) had to remind the parents to be quiet.

### Worthy Goal

For the March meeting the school-wide Project Fair was held. This year every department displayed projects done by students in connection with their studies.

The P-TA entertained the sub-freshmen at a dance and later in the year invited the entire student body to a "Bop Marathon".

Students owe much to such a group that demonstrates their interest and effort in the individual development of every pupil.

Carrying out the year's theme, Mrs. Morris explains to Mrs. Molzahn Janie's study plan for her French course.

Don Kordecki, guest disc jockey, announces the rules for the Bop Marathon as the eager group of "bopsters" listens attentively. Minutes later the winning couple, Judy Vaughn and Jimmy Brown, a bit exhausted, smile after they each received prizes, gifts of the P-TA.

Helen Lamar shows Nan Jordan some of the weapons Caesar used against the Gauls. Two years of both Latin and French are offered in the classical course.

### Students Proud

Every student glows with pride at the mention of MHS' high academic standing. Life is well balanced so that studies precede all other activities in order for the student to get the most from a high school education.

Each course in the curriculum revolves around a sound educational philosophy. The classical and scientific—the college preparatory course—and the commercial course strive to prepare students for further study, groom them for future jobs, and improve students' personal lives. The

classroom activities and the guidance of all the school leaders are designed to realize these goals for each individual student.

The main educational objectives toward which MHS aims are physical alertness; mastery of tools, techniques, and the spirit of learning; achievement of worthier tastes, saner attitudes, more gracious manners, and higher morals; and development of a deeper faith in themselves, their fellowmen, and God.

Practice makes perfect. Jon Wilson and Willie Johnson practice before a band rehearsal. Music plays an important part in the life at MHS.

# MHS'ers Mix Basics,

Joie Cotton and Richard Burk demonstrate the uses of wet and dry bulb thermometers. General Science emphasizes the practical applications of class study.

Typing is one of the many courses which will prove invaluable in later jobs. Typing is chosen by many students in order to prepare their schoolwork.

## Home, Parents Enrich Routine

"Mother, do you know how to work geometry?" In some cases an education can reveal unknown talents or aptitudes of parents, too. Many activities of the day, club meetings, practices, and seemingly endless homework serve to bring a family closer together by opening new horizons for family development.

One of the purposes of the educational aims of MHS is to prepare the student for a useful, happy citizenship and home life. The cooperation fostered between the administration and the parent makes this goal possible.

The rush of things to do sometimes makes home seem but a place to eat and sleep, but the constant guiding, prodding, pushing, and inspiration of the home puts the student in the right direction on his studies and makes the proud graduate say, "Thank you!"

A time when all the family can be together. Here the J. T. Anderson's enjoy the evening meal together in their home.

### Church Plays Vital Role

The religious life of MHS students carries impetus into all areas of endeavor. On Sunday, one can find students actively taking part in the worship service of the church of their choice.

Many churches have well-organized youth councils which are representative of the body of young people and regulate and organize the youth activities of their church. These activities may include regular socials, a monthly newspaper, banquets, pageants, plays, visitations, breakfasts, or prayer services. The many youth choirs also encourage young people to active participation in church life.

The stress laid by students on religious life is also seen in the large attendance at many of the youth rallies, camps, conferences, and retreats held each year. The devotionals held in each homeroom each morning also emphasize the major role church relation plays in the lives of MHS students.

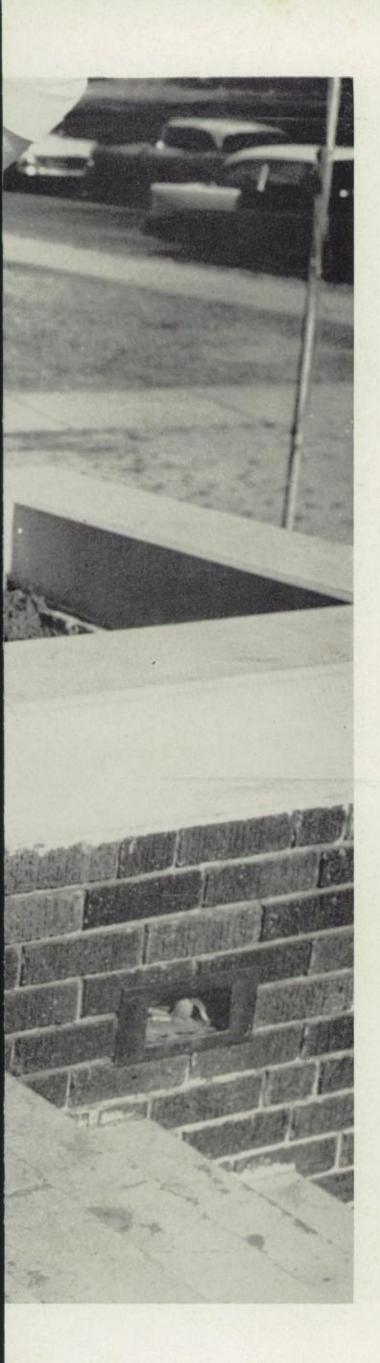

Sunday School is the most widely attended service at the churches. Becky Barron and Andy Waldrop are on their way to Sunday School at the First Baptist Church.

The Youth Choir of the First Presbyterian Church sings on Sunday mornings. Many students sing in the choirs of Marietta churches.

Our main money-making project, the Valentine Ball, was a great success. With the aid and advice of Diana McClurkin, we were able to make the decorations bigger and better than ever before. The profits from the Valentine Ball enabled us to defray \$8 from the cost of each book.

As feature editor, Barbara Nunn did an excellent job of presenting each special activity. Only two weeks of rest and quiet were necessary to recuperate from the Valentine Ball, her main project.

The club editors had to be ever on their toes to catch the different club members all together at one time. Sue Redfern, Vivian Martin, and Marie Fernandez were chosen both for their agility and their imagination, a necessity in order to make up club copy.

The business manager's primary duty is the nerveshattering job of keeping up with the Olympian financial situation. Besides doing an admirable job of this, Joyce Reece deserves credit for keeping the staff out of jail.

#### Sr. Band Performs,

To prepare for the many events planned for the coming year, Mr. "Mac" and the band attended band camp in August. Although they had lots of fun, they accomplished a great deal of work.

Of the twelve M.H.S. football games, the band members appeared at eleven games and presented ten shows. Bad weather made it impossible to perform at two games. All of the half-time shows were planned by the show staff and Mr. "Mac". Members of this staff were Jeff Hale, George Sutton, Jack Bell, Jerry Flowers, and Bobby Mintz.

## Music Groups Take Part

This year has been no exception in the continual growth of the Choral Music Department. One hundred sixty students, under the direction of Miss Ruth Ogden have participated in various types of choral groups.

The choral work is divided into several areas. The Girls' Glee Club and the Boys' Glee Club, both per-

forming groups, have regularly scheduled classes each day. From these two groups have come the Boys' Double Quartet and the Girls' Ensemble.

The Mixed Choir meets outside school hours, and the General Music Class from which comes the Girls' Choir meets each day.

#### Student Council Sells Directories,

"Devils' Doings Week" climaxed another active year for the Student Council. During this week the "Devil" made an appearance in all the classrooms.

In the chapel on Friday, which ended the week, the most representative boy and girl from each class were presented to the student body.

The Student Council carried out several other projects successfully. Among these was the compiling and selling of Student Directories. These directories have been very helpful to the students.

# Senior Girls Lead

The Senior Tri-Hi-Y girls have been leaders in all phases of school life.

They began a full year by welcoming the Freshmen into true high school life.

The most rewarding project of the year came at Christmas when the girls were given the privilege of experiencing the true spirit of giving. They bought new toys and clothing and prepared a food basket for a needy family.

In addition to the regular community service projects, the girls supplied Mr. Kemp, the assistant superintendent, with office assistants throughout the year.

The girls were also responsible for the devotional at each of the assembly programs and sponsored a Teen Talk for the student body.

## Hi-Y Boys Adopt Grandmother

The 8th Grade Hi-Y centered all their projects around Mrs. Pauline Read, a charming lady who adopted these boys.

At Christmas a special party was given in her honor and the boys all took her gifts. She was a special Valentine also, for the boys deluged her with cards and candy.

These boys will always hold dear in their memories this lovely person who passed away this spring.

For Valentine's members gave Mrs. Read, their adopted grandmother, candy.

Marne Wendell, Jack Tebeau, and Lucia Smith were installed, as were all Y-Club officers, by the Y-Council.

Although it is a relatively new organization, the Y-Council has served a much needed purpose.

The Council was created to co-ordinate the activities of the ten Y-Clubs. It is not a club itself but is composed of the president and a representative from each Y-Club.

Other projects were buying oranges and chewing gum for the girls' basketball team at every game and Cokes for the visiting cheerleaders at all football games.

Decorating bleachers on the home and the visitors' sides of the field for football games was a new project.

The main event looked forward to by all was the annual DEC Dance. The members put much work into this to make it an enjoyable event.

### Plans Laid For New TAC

The Teen Age Canteen is making plans for a new location and set-up. The new TAC will include many facilities which will make it an ideal place for teenagers to spend their leisure time. The building will be available to any group who wishes to have a party or a meeting there.

The TAC raised money last summer by counting votes for Lockheed's Recreation Officers. During the year, they had penny sales to keep up the funds.

Among the many dances the TAC gave were a Christmas formal, a spring formal, and a Birthday dance. At the beginning of the year, a Bermuda Shorts dance drew a large crowd.

A great asset to the TAC was its teenage council, consisting of a boy and girl from each class and their parents. This council met with the officers and helped plan new activities and carry on the old ones. They changed the jukebox records to keep the selections up-to-date and maintain a modern TAC.

Mrs. Langworthy, advisor; Ben Noble, vice-president; Jo Anne Foster, girls' president; Carole Baldwin, secretary-treasurer; and Arnold Guest, boys' president, enjoy refreshments at a meeting.

### Library Aides Organize

Have you ever been at your wit's end trying desperately at the last minute to find an obscure article or reference book? If you have, and be honest, who hasn't, you were more than likely rescued by a member of Marietta's newest club.

The Library Aides, under the capable guidance of the school librarian, Mrs. E. J. Quiery, were this year recognized by the 7th District and the State Library Assistants Groups.

These students are the ones to thank for the orderly, efficient, and up-to-date school library.

Mrs. Quiery keeps the card file in perfect order to make reference work easier for students.

The adventurous Science Club made many trips this year, visiting WSB-TV in Atlanta, the Atomic Energy Plant at Oak Ridge, Tennessee, the State Science Fair, the Weather Bureau, and Lockheed.

They planned trips to Georgia Tech and the Agnes Scott Observatory.

When not traveling, the Science Club met every Wednesday after school in Mr. Stewart's room.

Besides their annual hayride, this year the M-Club sponsored a square dance for the entire student body.

### **Tumblers**

This is one group who are really "up in the air" over their club. Each Thursday afternoon the girls practiced jumping on the trampoline and learned new acrobatic stunts.

Mrs. Charles Hipsher, who coached these agile girls, was rewarded in her efforts when the tumblers demonstrated their skill to the student body in one of the most outstanding chapel programs of the year.

### Future Nurses Prepare for Career

Frances Reynolds is one of the many girls who gain invaluable experience for the future by working as aides at Kennestone.

Probably every girl at one time or another wants to be a nurse. To some it is only a passing fancy; to others, as to the members of the Future Nurses Club, it becomes a personal goal.

In Future Nurses these girls are able to learn more about their chosen profession as well as to be helpful in many ways.

At Christmas the girls wrapped gifts for Battey Hospital. They helped the Health Department when the polio shots were being given and again when students were X-rayed for TB.

In an impressive ceremony at St. James Church, President Shirley Kemp installed Nancy Mathis, treasurer, Gail Boatner, secretary, and Cynthia Williamson, vice-president.

### Music Club Cultivates Talent

The members of the club all have one thing in common—a deep appreciation of music.

As most of the members are proficient in some musical field, their meetings serve a two-fold purpose.

As the programs are presented by the members themselves, they provide the opportunity to cultivate tastes in all types of music. Most important, they provide a relaxing interlude in a hard day.

**Hugh Dobbins, treasurer**; Bill Hatcher, president; Jeff Hale, secretary; and Joe Butler, vice-president, are preparing to entertain the club with a selection of popular songs.

Bill Hatcher, Gioia Osborne, and Remy Foss are enjoying Miss Stillwell's musical ability.

Members Janice Belmore, Gretchen Griggs, Lil McMillan, Gail Stanley, Virginia Prather, and Helen Lancaster work on decorations for the banquet.

### FTA Sponsors Banquet

"Did you get those programs made?"
"When can we make the place cards?"

These and others were familiar questions asked by FTA members in January as they prepared for their Ideal Teacher's Banquet, honoring Mrs. Bernard Cosey and Miss Clara Nolen.

FTA has been kept busy this year with many projects. They provided flowers for eight majorettes at Homecoming, made posters for American Education Week, made Thanksgiving favors for the hospital, and substituted for delegates to GEA.

### FBLA Plays Hostess

FBLA members were hostesses this year to the State Planning Conference. At this Conference plans are made for FBLA work for the entire year.

Typing, grading papers, and running stencils for teachers have kept many of the members busy.

Other projects they participated in were providing

toys at Christmas for two needy families, giving a program for the Business and Professional Women's Club, and participating in the State Convention.

Each year FBLA awards a typewriter to the most outstanding graduate in the commercial course.

### FHA Encourages Home Arts

The Freshman and Sub-Freshman FHA have combined to form one of the largest and most active clubs in school.

Each month was filled with activities relating to a certain phase of homemaking. The girls took courses in such things as etiquette, flower arranging, and giftwrapping. At Christmas the girls gave a party for underprivileged children and helped an old couple by buying a tree, decorations, and gifts for them.

In March the girls attended the State FHA Convention in Carrollton where Barbara Smith was elected State Parliamentarian.

# Junior Civitan Organizes New Club

In March, a banquet at Sprayberry High School climaxed five months' work organizing a Jr. Civitan club at Sprayberry.

This successful project was the biggest project undertaken by Jr. Civitan.

The members could be seen working busily on Citizenship Day, co-operating with the Marietta Civitan

Club in making that day an enjoyable one for the Seniors of Cobb County.

The decorations seen in chapel at the Homecoming program can be attributed to the hard work of this club.

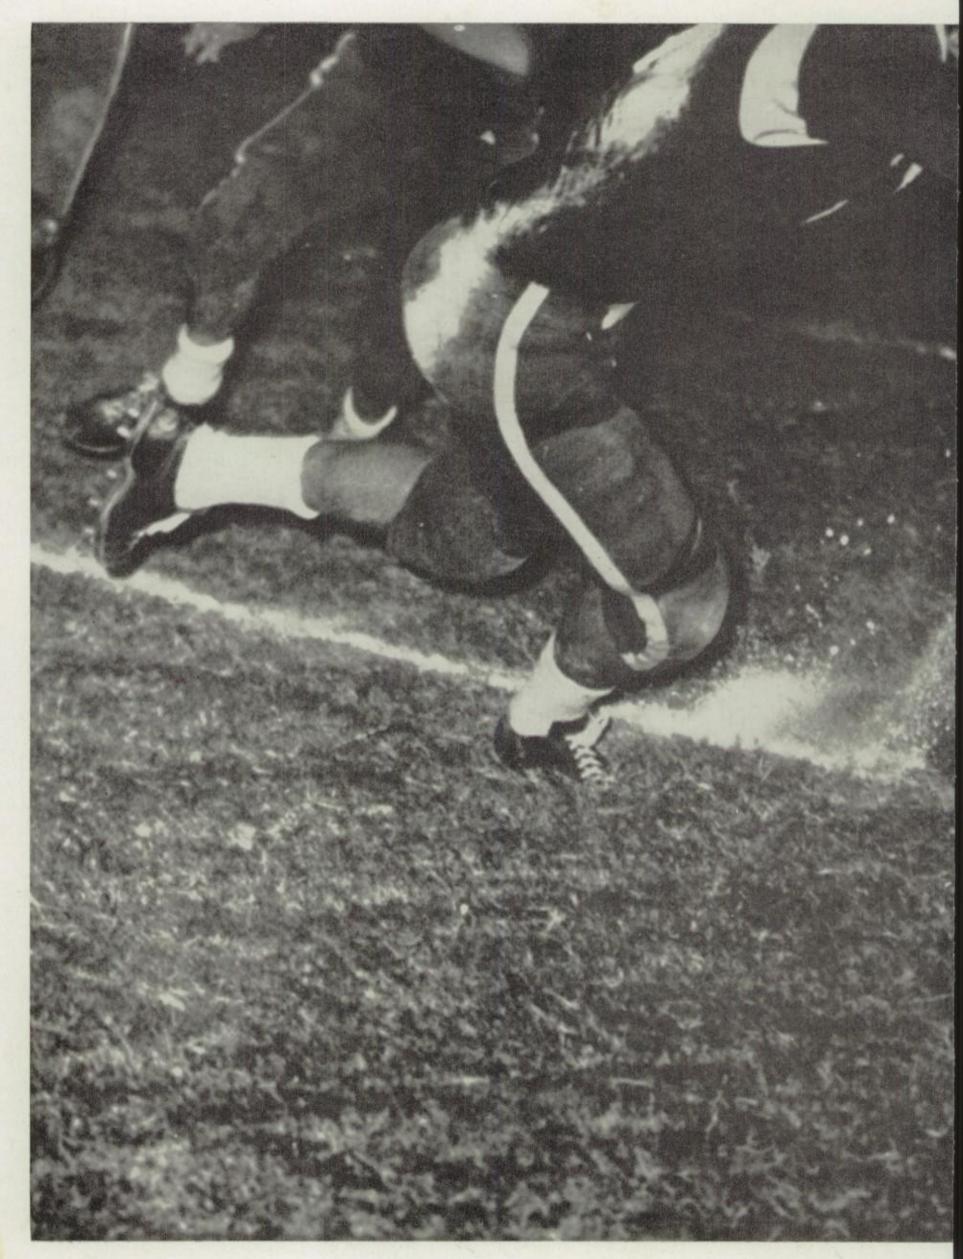

Another worthwhile project was taking care of a needy family at Thanksgiving and Christmas.

Glenda Smith, secretary; Mr. Stabler, advisor; and Chuck Woolery, president, plan a Thursday meeting.

Members M. Ingersoll, J. Davis, O. Huff, J. Smith, B. Sanders, G. Adams, and D. McClesky bind magazines.

### **Cheerleaders Boost**

"Our boys gonna shine tonight, our boys gonna shine" sing out the Cheerleaders as they run through the halls of MHS. This was a familiar sound during the football season.

They boosted the spirit of the school and represented it well at the out-of-town games. They yelled and sang at all the football and basketball

games, the M-day game, and led the students in many pep rallies creating good sportsmanship.

In chapel during Devil's Doings Week, the Cheerleaders taught the student body a song which they composed. They also served as Key Club hostesses. With the football team, they were honored at the annual Touchdown Club banquet.

### Sportsmanship

This was a special year for them and the school because they were all seniors. At the beginning of the year these girls tried out for cheerleading together and all of them were the choice of the students.

Captain Sue Redfern has been a Cheerleader for four years. Co-Captain JoAnne Foster has led the yells for two years with Jackie Moore, Judy Moore, and Polly Sinclair. Those Cheerleaders chosen for the first time this year were Georgia Mozley, Beverly Sanders, and Nancy Strait. A completely new squad will be elected next year.

### Marietta Chalks Up Two

September 13. Marietta paid a debt of long standing to Cedartown by defeating them 13-0. The Blue Devils' defensive play clenched the victory as they took advantage of Cedartown's mistakes.

In the first quarter Richard Townson, Marietta's workhorse, recovered Vincent's fumble in the end zone and ran all the way for a touchdown. Ronnie Camp paved the way for Townson, who again turned in a touchdown.

September 20. Marietta stormed Russell 19-0. Out of three passes tried, only one was completed. That was a 19-yard screen. Russell was granted only two passes by the Blue Devils.

Russell's only threat was in the first quarter when Tommy Rupert received the kickoff from Marietta after their first TD and hit the line for 16. Richard Townson ran fifty yards for the final score in the late minutes of the game.

Dan Phillips was credited with setting up the first Marietta touchdown. It was run by Lee Broadhurst, a drive which totaled 45 yards.

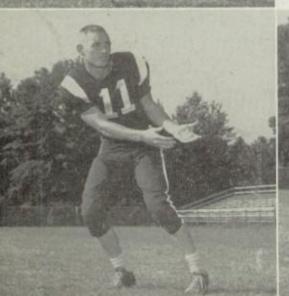

Phillips' name was again in the spotlight as he went over the line for the second TD. All the 30 some-odd players from the bench received a chance to prove themselves. Little Ronnie Myrick took advantage of that chance by scoring late in the game.

October 4. The Marietta Blue Devils passed by Campbell, 14-0, as they proved that "the best offense is a superior defense". Don Rhymer set up the first TD for Dan Phillips when he raced around Marietta's right side for 41 yards to the Campbell 1. Dan Phillips carried it over for the TD. Phillips set up the second TD sending Townson over for his fifth of the season.

### **SWD Mars Perfect Record**

October 11, 1957. The Blue Devils proved themselves worthy of the title given to them this week as the No. 1 team in the AAA play when they marched over Rome 34-0. Marietta's offense and defense evened out this Friday night, for probably the two most outstanding plays in the game were offensive and defensive.

Offensive wise, Johnny Sinclair hit Dan Phillips with a 64 yard pass. The best defensive play was made in the final period when Marietta held Rome on the Devil's own 2 yard line for 3 downs.

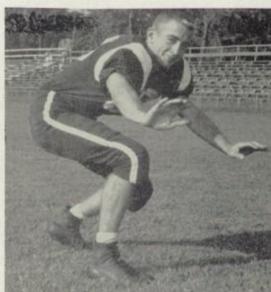

October 18, 1957. South West DeKalb marred the record of the Devils by scoring 2 touchdowns. Until that night Marietta was not only unbeaten but unscored upon. The Devils won, 14-12, but ended their unscored-upon record. Even though the Panthers threatened several times, Marietta took advantage of a fumble early in the game. Seven plays and 79 yards later the Devils scored.

Nov. 1, 1957. Marietta High School's unbeaten Devils traveled to Gainesville determined to end an Elephant's stampede. Gainesville's Elephants had beaten Marietta for several years in a row.

This game was anybody's from the first, for it was one seldom seen—a game in which both teams strained every available resource for offense and defensive alike to break the deadlock. An evenly matched defense and offense resulted in an evenly distributed score.

Nov. 8, 1957. The Marietta High Blue Devils were knocked from the unbeaten ranks as the Bulldogs beat them 17-0. Decatur scored their 17 points in the first 16 minutes of play, but the Devils outplayed their opponents in the third and fourth quarters by not letting the Bulldgos score throughout the rest of the game. This defeat helped the Devils through the rest of the season and in the tournament.

### Devils Split With Rivals

Oct. 25, 1957. After a five week slump and three nightmares, the Devils broke the slump with a 14-0 triumph over Rossville. Despite the mud and rain, the Devils held the Bulldogs to 31 yards on the ground.

Joe Kozloski grabbed a fumbled punt on the 40 and ran to the 45 where he slid for 10 more yards. Broadhurst marched on for the touchdown after Rossville was penalized for 15 yards. Late in the fourth, Broadhurst crashed over for 6 points.

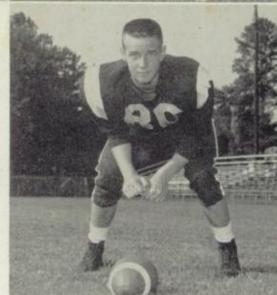

Nov. 15, 1957. The Greenwood, S. C. Emeralds traveled to Marietta this weekend and romped to a 33-0 victory. Greenwood started the ball "rolling" by passing to a touchdown after receiving the kickoff.

Lee Broadhurst was the outstanding offensive threat against Greenwood. He picked up 72 yards in 17 carries for an average of 4½ yards per carry. Twelve of Broadhurst's carries were in the second half.

### Devils Win 4-AAA Championship

Nov. 29, 1957. Everyone was happy on this foggy and muddy night. The reason? The Marietta Blue Devils had succeeded in winning the 4AAA Championship by beating the strong Decatur Bulldogs 2-1. This score was derived from the penetration rule which concerns only games which have to have a winner immediately. The score comes from the number

of yards gained, number of penetrations past the 20yard line and several other circumstances.

The Decatur team threatened several times, once on the five and on the six yard line. Bobby Cole, a sophomore who never quit trying, knocked Decatur's Broom for a five-yard loss and saved the game.

### Devils Lose In State

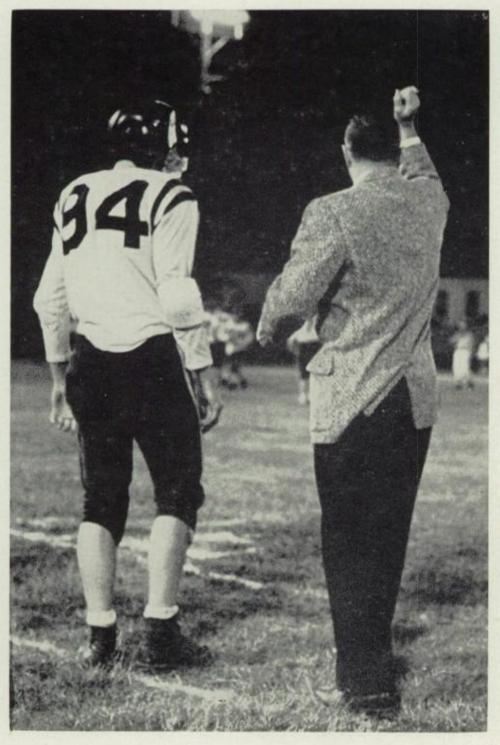

Dec. 6, 1957. The Marietta High Blue Devils fought hard and long, but to no avail as Northside's Tigers walked away with the North Georgia Championship. But losing to Atlanta's finest is nothing to be ashamed of. The Devils' fans were extra proud of the showing Marietta made at Grady Stadium that night.

The lone score was a 58 yard punt return by Northside's Ferguson. The last of Marietta's would-be tacklers were "removed" at the 40. Little Joe Kozloski was invaluable defensively, racking up 16 bone jarring tackles. Wyndell Black, Rodger Senter, Richard Townson, Dan Phillips, and Ronnie Camp were also invaluable defensively.

Marietta's biggest threat was kindled by a 33-yard punt return by Broadhurst. This put the ball at Marietta's 43. A series of pitchouts to Broadhurst moved the ball to the 21.

With one minute and fifty-five seconds left Marietta passed. Ferguson entered again and intercepted, killing Marietta's threat. This is a game long to be remembered by MHS's graduates and fans.

Head Coach French Johnson warns the Devils to be "on their toes" in case of a pass.

The Marietta Blue Devils this year won the 4AAA Region Championship by the skin of their teeth. In a grueling battle on a rain-soaked field, the Devils won by the penetration rule.

The Devils lost to Northside 6-0 in the semi-fianls of the State AAA playoffs. In spite of the score the Devils played an inspiring game.

Captain Wyndell Black was named as an All-State Guard and, better still, was elected captain of the All-State team.

## Baseball

Though plagued with rain Coach Anderson and nine returning lettermen rushed into the '58 season. At press time the Devils had a 6-4 won-loss record. The region won-loss record was 4-2.

This year's battery was composed of pitchers Wayne Cox, Gary Hill, Rodger Senter, Charles Bagby, Fred Thompson and catchers Wyndell Black, Gresham Howren, and Ronnie Camp.

Covering the infield will be Arthur Luedtke, Jennings Patterson, Charles Bagby, Bobby Cole.

Rounding out the team and the outfield will be Rodger Senter, Ken Braswell, Mike Clark, Howard Simpson, Don Grissom, and Gary Hill.

"You're out!" yells the umpire as Ronnie Camp, senior catcher, tags a Decatur man out at home.

Gary Hill, in hopes of making a double play, scoops up a line drive on the hot corner.

David Smithweck, manager of the track team, gathers equipment to set up a bar for the pole vault.

## Track

After a late start and the many rains the tracksters rushed into a 77-50 victory over Rome and a win in a tri-meet with Milton and Roswell. With barely time to catch their breath the region finals were here. Versatile Lee Broadhurst tied for first place in the pole vault event and won 2nd in the javelin event. Wyndell Black placed 4th in the discus; Allan Dean, 4th in the pole vault; John Sherrod, 4th in the 440 event; W. C. Fields, 4th in the 180 yd. low hurdles.

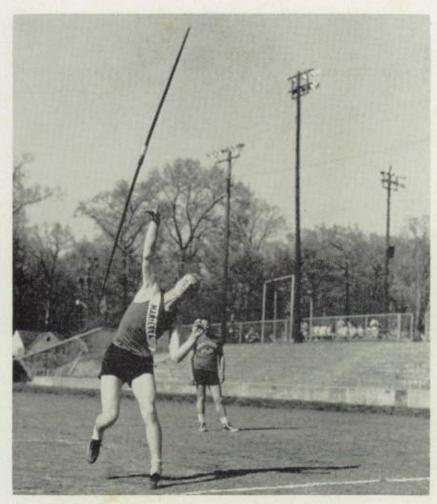

The new lettering system this year requires one to compile 10 points during the season instead of placing first in an event.

Johnny Sinclair clears the first hurdle as he begins a time run.

# Golf Team Shows Improvement

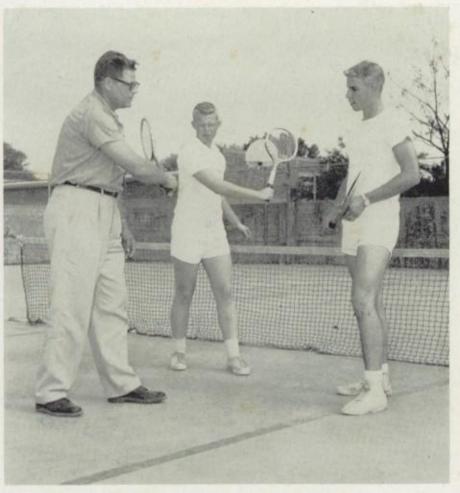

The golf team opened the season with three returning lettermen. The Blue Devils didn't have a successful start, losing to Rockmart 24½ to ½. In a repeat meet with Rockmart, the team made its comeback by winning 7½ to 2½. Marist "outputted" the Devils in two games. The team completed the season with a 1-3 won-loss record. Christ Stinnett was low man for the

season.

Senior Chris Stinnett, a three year letterman and number one man, will be missed next year. Remley Brumby is second, Felton Hagood third, and John Sprague fourth. Coach Johnson will depend on these boys for a brighter future when they return for next year's season.

Junior Felton Hagood, Sophomore Remley Brumby, Coach French Johnson, Sophomore John Sprague, and Senior Chris Stinnett are getting ready to tee-off at the Marietta Country Club.

# Tennis Team Goes to State Tourney

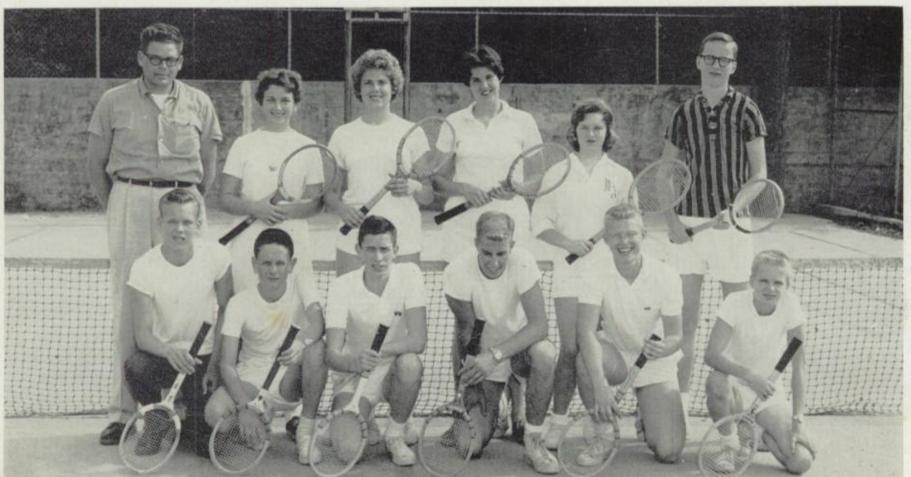

The girls' and boys' tennis teams this year sent four players to state. The girls sent Linda and Dinah Tumlin as 4-AAA regional doubles champions and Kent Anderson as runner-up in the region in singles.

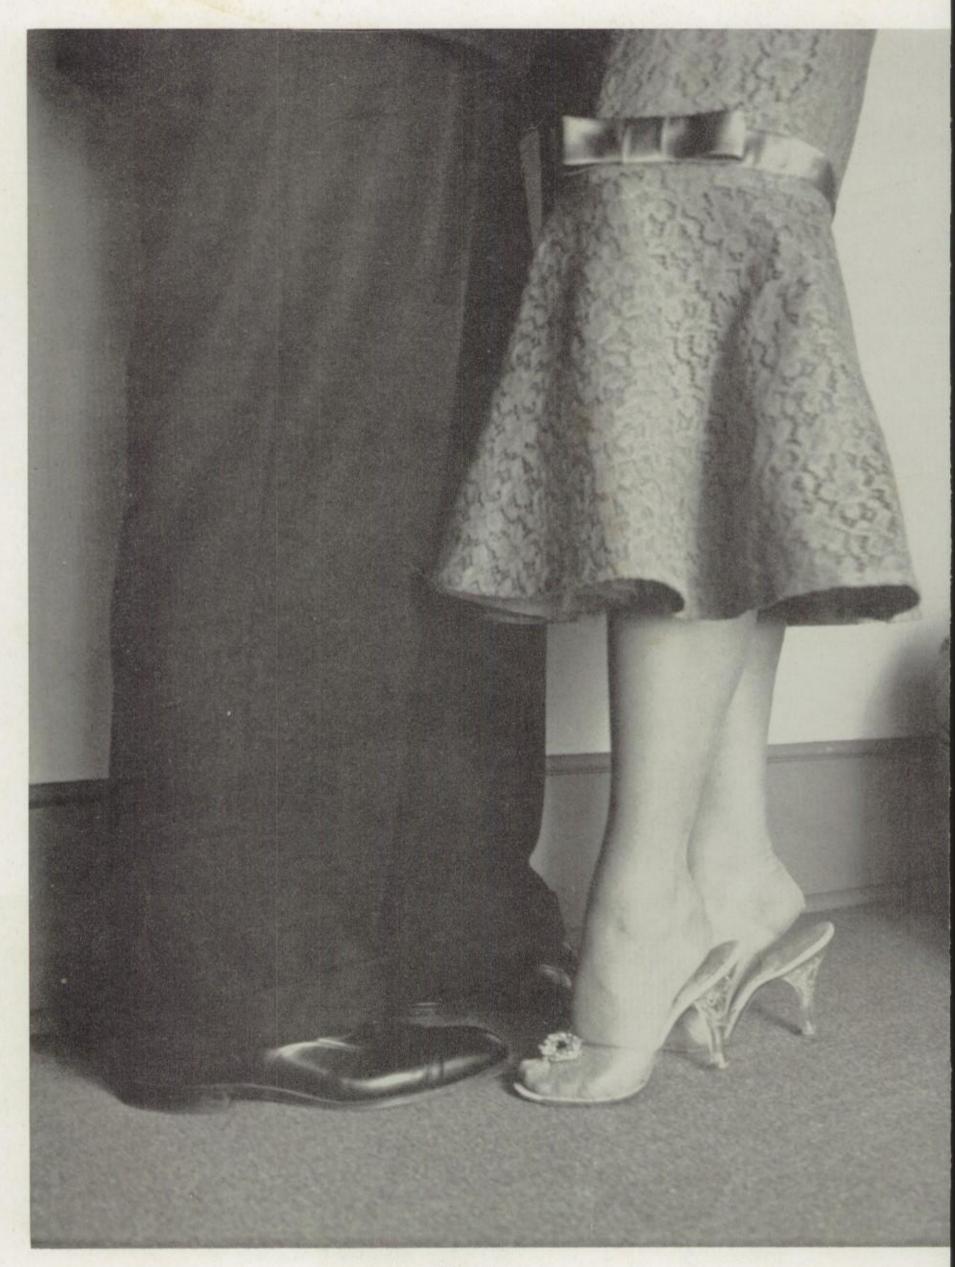

Guy Wells represented the boys as runner-up in the singles division. Bill McNeil was last year's singles champion.

This is the third year the girls have won the doubles championship. Kay Holland and Lucy Howard went away with the honors in 1957.

Returning lettermen making up the 1958 team are Beverly Moore, Kent Anderson, Dinah Tumlin, Linda Tumlin, Guy Wells, Ben Hill and John Carnel.

## Homecomin

The weatherman, the faculty, the downtown Marietta merchants, the alumni-all co-operated to make Marietta High School's third annual homecoming a success. Had only the Greenwood, South Carolina, football team co-operated as well, the day would have been perfect.

It was a story book day, sunny, clear, and exciting.

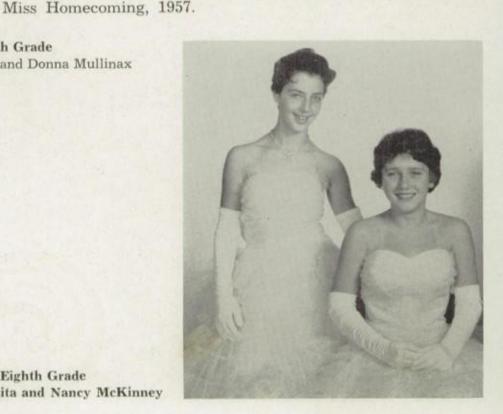

Student Council presented George Griffin, former student and teacher at Marietta High, as chapel speaker.

The spirit of the day permeated the entire campus; classes were easier and smiles closer to the surface than usual. Everybody wanted to be in the parade that afternoon, and most of

them made it. By game time excitement had mounted to fever pitch. Now it could be told. The queen had been selected. For the first time that day the crowd was quiet. Petticoats rustled and beautiful arm bouquets of ragged chrysanthemums came scandalously close to being dismembered as the court and their escorts paraded through two resplendent lines of bandsmen.

The hard working candy shop crew relaxes for the first time in their two weeks' campaign. The campaign managers are Standing left to right Kitty Hames, Nancy Gault, Patty Boswell, Kissy Chatfield, Mickey Carlile, Judy James, Sylvia Norton, Carolyn Brown, Betty Guthrie, seated Gail Adams and M. C. Jimmy Stark.

As each manager gave his speech, his respective candidate was spotlighted before a towering quilted heart dressed in pink satin to look like a big box of candy. The witty speeches were the climax of two weeks of hard work. The candidates and their managers concentrated on collecting a record number of votes at a penny each to help defray the expenses of publishing the **Olympian**.

The highlight of the evening was the moment when Mrs. Swain crowned candy shop favorites, Ben Noble and Nancy McKinney, King and Queen of the Valentine Ball. After the crowning, the royal pair led the crowd in a grand march to the ball.

King Ben and Queen Nancy sit on their thrones before the pink satin candy box as the other Valentine "sweets" gather in the candy shop painted with accents of pink and red.

Mr. George Griffin, former teacher and student at MHS, was guest speaker for the third annual Homecoming chapel.

The Olympian staff presented the history of the yearbook in their humorous version of "Your Life This Is."

Beta Club's induction of new members was a most impressive ceremony. Mr. Antley and Mrs. Swain assisted in the program.

# Chape

Although the types of programs presented in chapel were widely varied, two things remained constant. First, the programs were of a high quality whether they were of the entertainment or inspirational nature.

Second, every chapel period was

opened with a devotional.

Many programs besides those pictured here were given. Cheerleader tryouts were held during the first week of school. Throughout the football season pep rallies were called and led by the Cheerleaders.

In playing short scrimmage games, the girls' and boys' basketball teams gave a preview of their coming games. In one chapel the school's winners of the "I Speak for Democracy" contest gave their winning speeches.

During Freshman English students' "take-off" on "The Night Before Christmas," Santa and his eight tiny reindeer sailed over roof tops.

1....

The annual Y-sponsored Teen Talks in the weeks preceding Easter featured a number of outstanding pastors, laymen, and educators.

The second annual Devil's Doings Week was climaxed by a special program presented by the Student Council.

Probably, the program students looked forward to most was Honors Day Chapel. At that time awards were presented to deserving seniors and the **Olympian** was dedicated.

The performances of choral and instrumental music groups, the presentation of trophies to the school by the athletic teams, the friendly words and announcements of the principal — all these made Tuesday morning the keynote of the day and the highlight of the week.

Eighth graders pantomined the scenes of the first Christmas. The Scripture reading and the carols sung in the background brought the Christmas spirit to the school.

In his Teen Talk Mr. Hal Powell summed up the student's obligation to himself, to his neighbors, and to God.

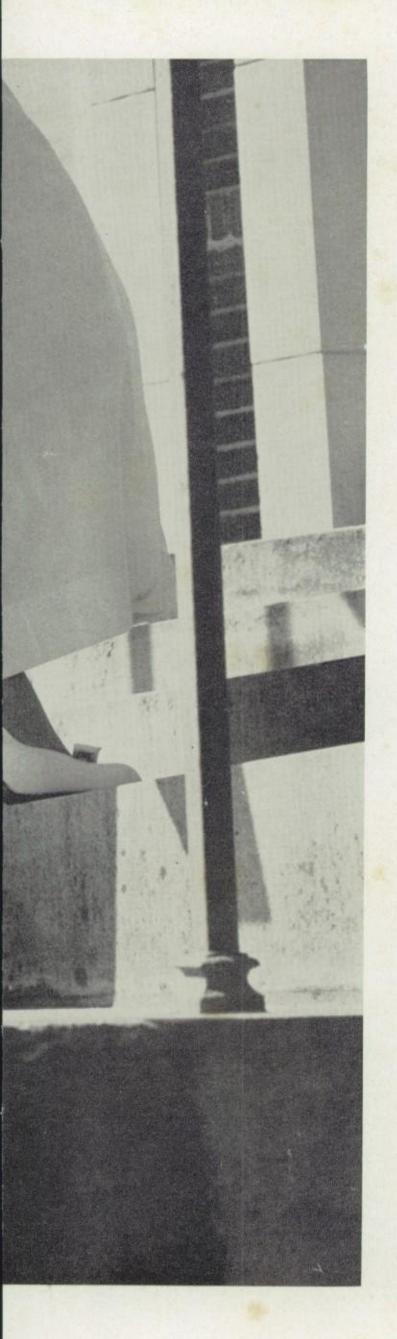

In their informal performances, the choral music groups added melody and entertainment to the chapel periods.

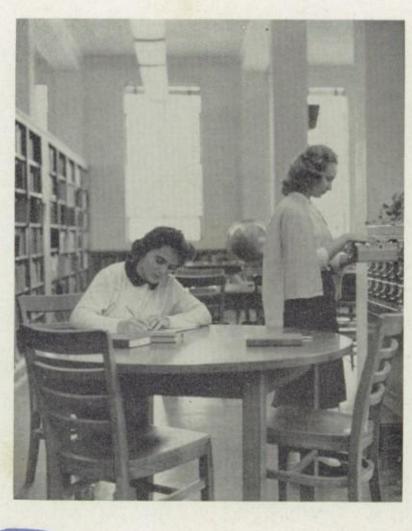

In the Devil's Doings chapel, the students most representative of MHS's ideals were introduced as elected by Student Council.

## Senior Who's Who

In electing Who's Who the **Olympian** staff considered each Senior of the class of '58. After careful evaluation, the staff elected eleven students who they thought most deserved special recognition and honor.

The points considered in choosing those for the honor are: outstanding work in a definite field of service, loyalty to their school, dependability, attitude toward their work, and their ability to work with others.

# Thirteen Graduates Earn "A" Honor

Christine Smith, Valedictorian

On graduation night the first thirteen seniors to receive their diplomas were those who had maintained an "A" average throughout their junior and senior years. These honor graduates worked hard to enrich their lives with the best education their school could offer them.

It was their planning that made the graduation exercises impressive, traditional, and beautiful. The class motto, "Get wisdom, get understanding; forget it not," was emphasized in the valedictory and salutatory addresses given by Christine Smith and Jean Taylor, respectively. The class' colors, blue and white, highlighted the stage. The music rendered by the Senior Choir and soloist, Vivian Martin, added to the beauty of the program.

These thirteen seniors who graduated with high honors are to be commended for their concentrated efforts to take full advantage of all opportunities offered them.

## **Graduation Ends** Gala Senior Year

Graduation night marked the end of an exciting year for the senior class of 1958. Among those who walk across the stage to receive their diplomas were such celebrities as Christine Smith, Jon Wilson, and George Sutton, finalists in the National Merit Scholarship Program.

Jon and Christine also won the Lockheed Scholarships. There was Wyndell Black, named Co-Captain of the All-State Football Team; Linda Tumlin, an All-State Guard in basketball for two years; eight cheerleaders, all from the senior class; these

and many others passed in review.

All had happy memories of such activities as the Senior Trip to Washington, D. C.; the senior class play; the gaiety of the Junior-Senior Formal; the fun of Devils' Doings Week; the Valentine Ball; the Girl Break and the D.E.C. dances; championship football and basketball teams.

All received diplomas with the knowledge of the sincere interest of their teachers in their future welfare and thankful for their guidance through all their high school years. All these memories, the happy, the sad, and the comic, they realize have been part of their growing up.

Their hope is, as their class goes out to meet new challenges, that M. H. S. will be as proud of them as alumni as they are to be graduates of

## Juniors Plan

With only one year before graduation, members of the junior class are planning for the future. Many will become the scientists, teachers, and businessmen of tomorrow. A wide range of classes and activities are available to juniors.

The schedule of classes for juniors contains required studies as well as electives. All juniors are required to take English, in which fundamentals of grammar and American literature are stressed. Geometry is a favorite subject for many juniors. This study requires a project each semester showing geometric principles.

Juniors who have elected the scientific course begin their study with chemistry. Work in both the laboratory and classroom broadens their knowledge of this subject.

The French and Latin classes are popular with many juniors who are fulfilling the requirements for the classical course. Juniors may elect to take either physical education or music.

The required subjects for the commercial course are typing, bookkeeping, and shorthand.

Although juniors have a busy schedule of

The officers of the junior class are Row 1 Sally Smithweck, treasurer; Gail Dobbins, secretary; row 2 Ben Hill, president; and Jimmy Smith, vice president.

### For The Future

classes, they still find time for other activities. Next year's football captains will be Gene Davenport and Bud Moore. Jackie Bell, Remar Sutton, and Bob Mintz were among those who made All State Band. Joe Kozloski, also an important member of the football team, was recognized for his wrestling victory. Many juniors hold offices in clubs. Pat Campbell is president of FTA. The officers of Student Council, Gresham Howren and Shirley Moss, as well as the representatives from the junior class, work hard in this important activity.

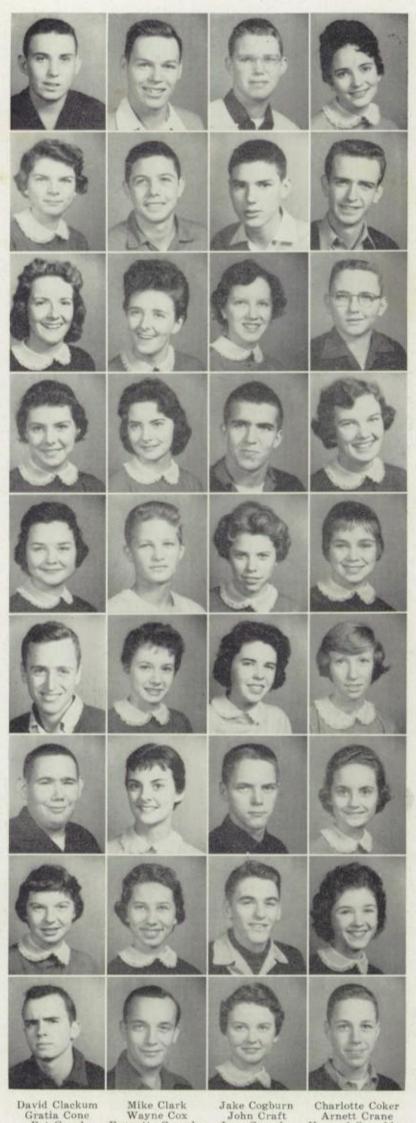

The most important project undertaken by the junior class is the Junior-Senior, which honors the senior class. In past years the juniors have en-

tertained with a formal dance.

Juniors are well prepared to enter their final year of high school after completing the required courses in the junior year. They have gained knowledge and skills from their studies; they have participated in sports and other group activities. They are indeed ready to embark upon their senior year.

Miss Clara Nolen, advisor of the junior class, discusses plans for the Junior-Senior with Ben Hill, president of the junior class.

The sophomore class officers are Bobby Cole, president; Jimmy Byrd, vice president; Clair Floyd, secretary; Gary Hill, treasurer.

## Sophs Have

This year has brought the sophomores more privileges. For the first time in their high school career they have had a chance to choose their own subjects. They had a choice of three courses: business, classical, and scientific. All students are required to take spelling, English II, biology, and world history. With all these hard subjects Jill Malnoske was the only student to make all A's. For the first time, also, they have had study halls and a chance to attend senior chapel.

Many of the sophomores have taken part in the many activities offered at school and many of them have won honors for being outstanding in these activities.

Sandra Mitchell, Tommy Anderson, Monty Calhoun, Joan Vann, Jimmy Satterfield, and Diane Golden discuss their day at school.

## A Big Year

Clair Floyd and Aymar Manning were the class representatives for the Valentine Ball. Betty Guthrie and Beverly Moore were the class representatives for Homecoming.

Many have taken part in sports, also. Dinah Tumlin, Jill Malnoske, Mary Gresham, Charles Bagby, Howard Simpson, and Jimmy Byrd were outstanding players on the basketball teams. Dinah Tumlin was chosen to play on the All-State Basketball Team. Many of the boys have done very good in football, also. Johnny Sinclair, Bobby Cole, Joe Kozloski, Bill Wimpee, Ronny Myrick, and Colquitt Baker have been outstanding players.

Freshmen class officers are Tony Musarra, president; Alicia Clotfelter, vice president; Dottie Golden, secretary; Judy Hicks, treasurer.

## Freshmen Add

This year's freshmen started the school year off with a bang by electing class officers with the help of Mr. J. A. Jones, class sponsor. In November the freshmen elected Donna Mullinax and Alicia Clotfelter as candidates to the Homecoming Court.

At Christmastime a special chapel program made use of the varied talents in the advanced ninth grade English class. The girls in the home economics classes gave a dinner for the Board of Education during the holiday season also.

February, the month of the annual Valentine Ball, saw students working to support their candidates Eddie Goscha and Judy King for Valentine King and Queen.

Also in February, school was closed several days because of three inches of snow causing a gas shortage. The weather didn't bother Leslie Trotter and

June Stanley, Sue Roberts, Till Burge, Patsy Oliphant, and Peggy Hester arrive at school ready for work.

## To School Spirit

Dickie Mintz who received a place and alternate in the All State Band. Patricia Lockamy, Madeline Hodges, Jane Erwin, and Carol Luedtke were some of the girls in the Girl's Choir who traveled to Carrollton, Georgia, to attend the Region Music Festival.

Even with all these activities freshmen did not neglect school work. This is the year students choose what course to follow in senior high school—classical, scientific, or commercial. These subjects are required: English, civics, vocational guidance, first year algebra, physical education or music classes, spelling, general science, and home economics for girls and shop classes for boys.

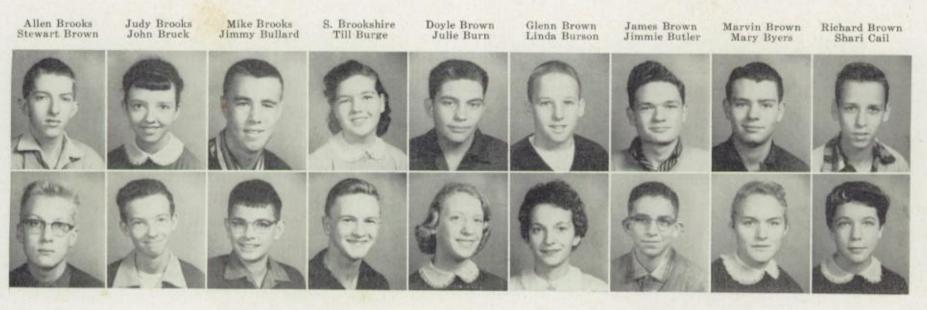

At the end of the term with all the school work and outside activities 1958 freshmen can certainly look back on a very busy year!

Bo Read, Ginger Abernathy, Greta Little, Barbara Worley, Alfred Colquitt, Marilyn Mayes, and Alvin Pannell leave after a long day.

Sheila and Donna are already ardent Blue Devil fans. The bulletin board is kept up to date with a basketball schedule.

## Sub-Freshmen Adjust Quickly

The eighth graders put their best foot forward by getting into the swing of things at M. H. S. From changing classes, to attending Y club meetings and chapel, they lent much spirit to the school so new to them.

Many members of the class won honors of their own. Nancy McKinney and Juanita Sedita were chosen by their classmates as members of the Homecoming court. Janet Wood won recognition as a talented pianist. Academic honors went to Vickie Hardin, Clyde Nipper for their achievements in Science; Tommy Parker, math; English, Jane Dunphey, Harriett Ann Tumlin, and Melinda Wendell.

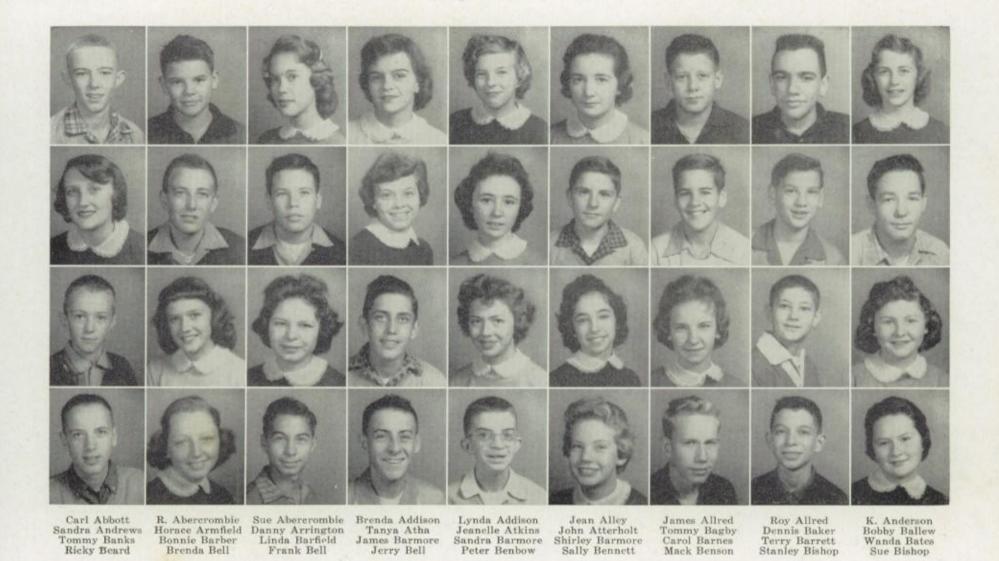

Teachers composed a chapel committee which planned and presented programs to the students each Tuesday. Scholastically speaking, the curriculum of the Sub Frosh is designed to prepare the students for either course they choose. This year they had general science, math, English, and boys and girls had, respectively, Shop and Home Economics.

The Sub Frosh proved they can work hard as well as have fun. They made their candidate Nancy Mc-Kinney, Queen of the Valentine Ball.

Judging by their achievements this year, the school recognizes these young students as a vital part of its life.

Kerry Smith offers to carry Judy Hilburn's books to their next class. This is their first experience at changing classes.
